Dear Mr. DeFelice:

Many thanks for writing me as you did in your letter of January 30.

We are looking forward to another successful year under the group life insurance program and to the continued fine association that has existed between your organization and our Company for many years.

You may be certain that we will cooperate with you in every way in any negotiations that we may have in the future to sustain the fine understanding that exists between our two organizations.

Yours sincerely,

A. W. Randall
Vice President
